

To Our Valued Clients,

Please be advised that due to the legislative order from Governor Wolf we will be closing our offices effective today Friday, March 20th to comply with the order. While we will not physically be in the office during this time, we are set up to work remotely and will be running operations as normal as possible with minimal disruption.

You should still reach out to your normal contact via email or phone as we will be checking voicemail boxes daily, multiple times, as well as monitoring our emails just as we normally would in the office during business hours.

If you have any questions or need any guidance please do not hesitate to use us as a resource during this trying time. We hope everyone stays safe and we are here for you to assist in any way we can.

Sincerely,

Jason Iannantuono

President, Indicon, Inc.
